MEMORANIUM FOR

: Audit Limison Officer

115-1104

SUBJECT

: Contract No. AF33(600)-36373. vith

25X1A

- 1. We have a form letter from Sy Weiner regarding final audit of the subject contract.
- 2. The Contractor has satisfactorily completed the work required under the contract. No Government Furnished Equipment was delivered to the Contractor. We do not know what equipment was acquired under the contract as the Contractor's claims did not itemize the material. However, we did authorize the Contractor to procure the following:

| (2) | Hewlett-Packard Wave-Guide Tuner #5870-A | 1 | CO |
|-----|--|---|-------|
| (b) | Waveline S-Band X-tal Mount, Model 216 | 1 | - |
| (c) | Standing Nave Indicator, Model 415B | 1 | 68. |
| (a) | UHF Signal Generator, Model 616A | 1 | 66.# |
| (e) | Square Wave Generator, Model 211A | 1 | ea.* |
| (f) | Waveguide to Coaxial Adapter, Model | | |
| | 5281-A | 1 | ea.* |
| (g) | Waveguide Slotted Section, Model 5810A | 1 | es. * |
| (h) | Untuned Probe, Model 444A | 1 | es. * |
| (t) | Standing Wave Indicator, Model 415B | 1 | |

*In the interest of expediting the material ITET was authorized to procure and furnish this material to Eastman Kodak Co. It is considered GFP to EK under Contract No. MS-205.

Other equipment acquired by the Contractor appears on ITET Inventory Schedule B, dated Oct. 23, 1958, DD Form 543. It is understood that you have a copy of this Inventory.

MEDIA DELLA COLLA COLLA

- 3. We are issuing instructions to ITMT to ship the residual material appearing on ND Form 543, except the items located at Eastman, to the Project Depot at Mira Loma, California. Fayment of the final voucher No. 12F is being withheld until receipt of the residual is acknowledged.
- 4. The Contractor has complied with the Patent and Royalty articles.
